*Greetings to All Nobles and Ladies of Boumi Shriners*

2019 Potentate Ernest N. Palmer

This is the last *Boumi News* that I have the privilege of addressing everyone as the Potentate of Boumi Temple. I have had a wonderful eight years to serve the temple as a member of the Divan and then as the Potentate.

It seems like just a few days ago I started this journey. I sincerely appreciate the adventure that our members have entrusted me on to serve

as your potentate. It is my hope that everyone has seen my commitment to serve in the best way to improve and protect our temple. The board of directors, the financial advisors, the Divan and myself have strived to do this throughout the entire year to support our members. We all together have had a fantastic year. It is through everyone's tireless efforts that our temple has grown and flourished, in ways that will benefit our temple for years to come.

First Lady Kathleen and I are grateful for all the support we received. It was truly heartfelt and much appreciated. I would like to thank each and every one who made a difference to make Boumi what it has developed into—a consolidated family that is recognized throughout Shrinedom, where love, kindness, gratitude, integrity and passion are found the moment anyone meets members of our family or enters our home—Boumi Temple. We all should be proud and grateful to be a member of this most extraordinary family, for we

together make a difference.

Remember, we cannot accomplish as much alone as we can together. We, together, can change the world with patience and perseverance. I challenge each noble, lady, and family member to share what we have built together. Introduce men to become Masons, nobles of our fraternity, and assimilate into our family. Don't keep it a secret what it means to be a Shriner. Rejoice in who we are—so very proud to be Shriners and support our Shriners Hospitals for Children.

I look forward to returning to the ranks of our members and serving for years to come wherever asked. Please let your passion about Boumi become infectious to those you encounter. Thank you ever so much.

Yours in Faith,

Ernest N. Palmer

# Join Us in Kansas City for the 2020 Imperial Session

The 146th Imperial Session of Shriners International will take place in Kansas City, Missouri, July 5-9, 2020. All nobles, ladies and their families are invited to join Imperial Sir Jeff Sowder and Lady Cheryl for the fraternity's biggest event of the year.

Kansas City is such a friendly place that you'll feel welcome from the moment you arrive. Combining a new urban spirit with traditional Midwestern sensibility, Kansas City offers an array of food, history, art and family-friendly activities. Come enjoy "the Paris of the Plains" with us while celebrating the fun, fellowship and philanthropy that makes Shriners International the greatest fraternity in the world.

## America's Heartland

The Power & Light District is conveniently located near the Imperial Session convention center and hotels. With more than 50 restaurants, bars, shops and entertainment venues, the Power & Light District offers something for everyone. Explore the area via the Kansas City Single Loop City Tour, a 90-minute narrated event. And no trip to Kansas City is complete without a stop in The Plaza, a unique, 15-block shopping and dining district distinguished by its Spanish-inspired architecture.

Traveling with the kids? They'll love Worlds of Fun and Oceans of Fun, a combined amusement and water park covering 300 acres. Or try Go Ape Treetop Adventure, a zip line canopy tour that your family won't forget. For something more warm and fuzzy, check out the Kansas City Zoo, Crown Center's Sea Life Aquarium or Deanna Rose Children's Farmstead. Don't miss lunch at Fritz's restaurant, where a working model train delivers your food right to your

table. Other great family venues are Union Station's Science City and Planetarium, LegoLand, and Crayola Kansas City.

History lovers won't want to miss the National World War I Museum and Memorial. Arranged in a narrative style, the exhibit takes visitors on an epic journey through this historical era, allowing them to experience deeply personal stories of courage, honor, patriotism and sacrifice. Students of presidential lore will recognize the Kansas City area as the birthplace of President Harry S. Truman, who was a member of Ararat Shriners for more than 50 years. Visit the Harry S. Truman Library & Museum to learn more about this fascinating citizen, president, and Shriner. Another historical highlight of the city is the Gangster Tour.

To absorb a little culture, check out the Bloch Galleries, which feature paintings by Van Gogh, Picasso, Cezanne and Monet, as well as Chinese and Contemporary art collections. The Nelson-Atkins Museum of Art features everything from ancient to contemporary works. Both are free. Or take in a show at the Kansas City Rep, one of the best-kept secrets in the Midwestern theater scene.

Feeling hungry? Kansas City is known all over the world for three things – barbecue, steaks and craft beers. For barbecue, try Arthur Bryant's, Gates BBQ or Smokehouse BBQ. Top choices for steaks include Majestic Steak House and Pierpont's at Union Station. Craft beer breweries and small wineries can be found throughout the city.

## Kansas City Convention Center

The 2020 Imperial Session will be held at the Kansas City Convention

Center. Combining simple elegance and modern amenities, it's the perfect space for our annual gathering. The Municipal Auditorium features inspiring Art Deco architecture from the inside out. With an arena, exhibition hall, music hall and the Little Theatre all under its roof, it's a unique and inviting place for our fraternity to gather.

## We Hope to See You There

We look forward to seeing you at our annual Shriners family reunion in this energetic and welcoming city. We promise it will be one to remember.

*Greetings to All Nobles and Ladies of Boumi Shriners*

2020 Potentate William C. Needer

It's been a long trip to become your Potentate and I would like to thank you for all the support you have given me. I know I will continue to receive your support in this coming year. The Divan and I have been planning an exciting and busy year. As you know, the Imperial Convention is in Kansas City, Mo., and it will be a great trip.

We, as a Shrine, need to support our Imperial Captain of the Guard, Mark Hartz, P.P. It should also be a great time with many exciting and interesting places to see and events to attend.

I hope to see you all at our upcoming events.

## 2020 Illustrious Potentate William C. Needer

William Needer was born in Baltimore, Md. He graduated from Baltimore Polytechnic Institute and Towson University. He also did graduate work at Towson University and George Washington University. After college, he found employment at the Division of Parole and Probation, State of Maryland. He retired in 2010 as a senior agent after 32 years of service.

Bill's Masonic roots run deep with his brother, father, grandfather and great uncle being Masons. He joined the Masonic family in 1997 by becoming a member of Mt. Moriah Lodge #116. In 1999,

he became a member of the Scottish Rite and Boumi Shriners.

As a member of Boumi Shriners, he has been a member of Magic Carpets, the Camel Wheels, and the Provost Guard. He was elected Commander of Provost Guard in 2003. The Provost Guard selected him to represent them on the M.A.S.A. Provost Guard where he served as commander for 2007-2008.

Bill was appointed Marshal, Second Ceremonial Master, and First Ceremonial Master.

From the Desk of the Recorder

Harry M. Harger

Happy New Year to all Nobles and Ladies. The year 2019 has truly been wonderful year under the Illustrious Past Potentate Ernest Palmer. Since I last wrote you many end-of-the-year activities generated much fun and fellowship. The S.O.S. events have been well attended and the newest club, the brew club, has had great growth.

It's been an exciting January with the New Year's Eve Celebration and the Installation of our new Potentate William C. Needer, the Divan officers, Unit Heads, and Club Presidents. Every year is an experiment of new growth and spirit to our fraternity.

The new year under the leadership of Illustrious Sir William Needer will be a good year to be a Shriner. Many new and exciting events are planned, and it will be great to see the nobility growth in membership and attributes.

Please read your Boumi News, listen for my robocalls, check your inboxes for blast emails, or visit our new website for up-to-date information on temple events.

I encourage all nobility to visit and support their Blue Lodges—share with all Masons the great work and fun we have helping children, then bring someone into the Shrine and help us grow.

I sincerely hope to see everyone at one function or another this year. And I hope you have a healthy and prosperous year.

## Shriners International

To: All Unit Heads and Club Presidents  
 From: Harry Harger, Recorder  
 Date: March 17, 2020  
 Subject: Temple Operations resulting from COVID-19

Due to the virus COVID-19 and the impact it is having on all Americans, the federal, state and local governments, as well as Most Worshipful Grand Master Richard P. Naegele, have enacted mandates that we must adhere to immediately. Illustrious Potentate William C. Needer, the Board of Directors and myself must protect our Shrine family by closing all Shrine operations, with the exception of the office.

**The closure of the temple and cancellation of events is effective as of March 17, 2020.** On May 1, 2020, we will evaluate the recommendations of our leaders and consider reopening. *The closure applies to all clubs, units and temple meetings and events.* At the Imperial Potentate's request, I will request dispensation to cancel Boumi's April 3, 2020 Business Meeting.

The Boumi office will remain open in order to pay bills and maintain the building from 9 a.m. – 4:30 p.m. Monday through Friday. Closing the temple was not an easy decision as it effects many Shriners, our fraternity and temple rentals. Boumi Shriners will remain strong under the leadership of our Illustrious Potentate William Needer as we weather this difficult time.

Please adhere to the mandates of our leaders so the Shrine family can remain safe and healthy.

Fraternally,

Harry M. Harger

On July 8, 2019, Boumi Shriners held its 33rd Annual Boumi Charity Golf Classic at Hunt Valley Country Club. Over 120 golfers braved the wet soggy day, eventually completing the entire tournament.

On Oct. 4, 2019, tournament chairman Noble William Mattlin and Shriners Hospitals for Children Patient Ambassador Sydney, daughter of Noble James Ringsaker, presented a check to Illustrious Potentate Ernest N. Palmer for \$43,000.

We would like to thank all our sponsors, players, and volunteers who made this a record day for Boumi Shriners.

Special thanks to “The Bob and Sue Mattlin Foundation” for their very generous donation of \$25,000. This money will go to the Transportation Fund to transport our kids to the Shriners Hospitals for Children—Philadelphia.

Nobles of Boumi Shrine

As many of you are aware by now action was taken for unmasonic conduct against a former Noble resulting in a six-month suspension. This was necessary to preserve the reputation of the Shrine but more importantly the Masonic Fraternity as a whole.

The incident that led to the suspension was not isolated and similar events have occurred through the years. These type events are not appropriate for any Mason. When Brothers Fleming and Florence conceived the idea of the shrine as a place to have "fun and fellowship" they did not think the "fun and fellowship" would be taken to inappropriate extremes. The idea of brotherly love, relief and truth were and are still the basis for all parts of our fraternity.

I am directing that no further activities such as the "Potentate's Kick-Off Party" will take place in the way it has been held. Fun can be had with playful bantering without getting vulgar or risqué.

This letter is to be read at the next meeting of the Shrine and printed in an upcoming issue of the Boumi News. The reason for this is to serve notice on all who participated or recorded the event that future conduct of this nature will not be tolerated. I like to enjoy a party and have fun like everyone else but the cardinal virtues of temperance and prudence must never be forgotten.

Fraternally,

Richard P. Naegele  
Grand Master

## Helping children, inspiring women, Q & A with Corinna Franklin, M.D.

Corinna Franklin, M.D., is a board-certified orthopaedic surgeon with Shriners Hospitals for Children — Philadelphia. After receiving an undergraduate degree in philosophy from Harvard College, she earned a medical degree from Harvard Medical School. Dr. Franklin completed her residency in orthopaedic surgery at the University of Southern California and a fellowship in pediatric orthopaedic surgery at Children's Hospital of Philadelphia.

Dr. Franklin is devoted to her patients; she focuses her practice on sports medicine, cerebral palsy, limb differences, prosthetics and more. She has created a comprehensive program for female athletes called FIERCE. She has a passion for keeping athletes on the field and returning from injury as safely as possible. In addition to her practice, she is a member of the Pediatric Orthopaedic Society of North America, where she is the chair of the Public Education and Media Relations Committee, as well as the American Academy of Orthopaedic Surgeons and Pediatric Research in Sports Medicine Society. She is also on the board of the Ruth Jackson Orthopaedic Society.

We recently spent some time with Dr. Franklin to learn more about her.

### Why did you choose to go into medicine?

I was attracted to the idea of being able to provide an essential service while also being consistently intellectually challenged. Specifically, I chose surgery because I like working with my hands, thinking on my feet and immediacy. I decided to focus on orthopaedics because I find issues with the musculoskeletal system most interesting.

### Why did you choose pediatrics?

I chose pediatric orthopaedics because, fundamentally, children just want to get better. They have enormous potential to do so and are delightful and surprising at every turn. It's a privilege to get to be involved in the lives of children in what is often a profound way, and to watch patients grow and evolve into young adults.

### What is the best part about working at Shriners Hospitals for Children — Philadelphia?

The best part is being able to care for the broad variety of patients we see without regard for whether they can pay.

### What inspires you each day?

I am inspired by the endless potential of pediatric patients to get better and the hope that I can help them do so.

### What is your most memorable experience in your career thus far?

My most memorable experience so far was seeing one of my patients, Festus, walk into the clinic when he had never walked before.

### How does it feel to be one of few females working in such a male-dominated field?

It feels as though I have a responsibility to be a good role model for young female surgeons and students, and to be an advocate for women's and girls' orthopaedic issues.

### What advice would you share with young females aspiring to become physicians and/or surgeons?

Don't let anyone limit your choices based on your gender. Know that you can hold your own, and cultivate relationships with other women in your field so you can advocate for and support each other.

*"There was a friend whose heart was good. He walked with men and understood. His was a voice that spoke to cheer, and felt like music on the ear. His was a smile men loved to see. His was a hand that asked no fee for friendliness or kindness done. And now that he has journeyed on, his is a fame that never ends—He leaves behind countless friends."*

## ***This Is My Moment:*** The stories of Cristian and Madelyn

*Every year, Shriners Hospitals for Children® selects two National Patient Ambassadors to represent the health care system's patients. The ambassadors spend the year sharing their stories of perseverance in the face of adversity and the ways Shriners Hospitals for Children has made a dramatic difference in their lives. Introducing our two new Ambassadors:*

### **Cristian**

Cristian, who is now 18, was born with spina bifida and hydrocephalus. In his first two weeks of life, Cristian had two surgeries and went on to have nearly a dozen more. Cristian faced several of the same challenges of many other patients with spina bifida, including gastro-intestinal system and balance difficulties, as well as complications from various surgeries.

For several years, Cristian's family had difficulty finding doctors who understood how to best help him. That all changed one day in 2012, when Cristian met a Shriner who referred him to Shriners Hospitals for Children. Cristian was 13 when he had the surgery that he says changed his life and gave him hope, at Shriners Hospitals for Children — Los Angeles (now Shriners for Children Medical Center in Pasadena, California).

Devoted to his schoolwork and seminary studies as well as his part-time job and playing the cello, Cristian has also been active in supporting Shriners Hospitals for Children. He even dedicated his Eagle Scout project to the cause, raising funds to present more than 200 Build-A-Bear toys to the Pasadena medical center.

Cristian is looking forward to his responsibilities as a National Patient Ambassador. "I know that I am who I am because of the Shriners," he said. "I have been able to see that I can do whatever I want and I can overcome any obstacle that I face. I want to give back to them because of that – because of the life that they've given me. Through Shriners Hospitals for Children and the national ambassadorship that I've been given, I hope to share a message of positivity and hope to all those who need it."

### **Madelyn**

Madelyn, now 19, was born 10 weeks early. Doctors told her parents that she was beautiful, healthy, tiny – and was born without her left arm.

Madelyn's journey with Shriners Hospitals for Children began with her first visit to our St. Louis location, when she was just 3 months old. Throughout her childhood, Madelyn used prosthetics, mainly for balance, and to help with various activities. Occupational therapists at the hospital helped Madelyn learn to function and interact in the world. As she grew older, Madelyn began using her prosthetics less often, and by middle school, she opted to stop using them.

In school, Madelyn's busy schedule included not only her classwork but also competitive swimming, first on a team for children with disabilities, then on her high school team. She also participated in competitive, coed water polo. "Nothing is impossible in my mind," she said. "It's just the ability to adapt and work around it."

Madelyn has always devoted herself to advocating and educating. She loves to make YouTube videos showing how to accomplish things using only one arm. At Ability Awareness Week, a program of St. Louis area elementary schools, Madelyn loves to share her story and to explain how Shriners Hospitals for Children changed her life. Drawing from her own experiences of being bullied for having only one arm, Madelyn likes to incorporate anti-bullying themes into her presentations.

Madelyn is currently a student at Maryville University in St. Louis, where she is very active in student activities, and made the Dean's List her first two semesters.

*"I am incredibly excited to see where this year takes me," Madelyn said. "I hope to inspire other kids, and be able to show them that they can do anything they put their mind to – they might just do it a little bit differently."*

We congratulate Cristian and Madelyn, and thank them for their willingness to represent Shriners Hospitals for Children, and share their stories. To view their video, *This is My Moment*, please visit [youtube.com/shrinershospitals](https://youtube.com/shrinershospitals).

# 100 Million Dollar Club

Chairman James G. Cullison

We begin 2020 with the same request as in the past year: nobles and friends of nobles, come and join the 100 Million Dollar Club. Your gift of \$100 brings help and hope to children with disabilities and burn survivors. It also gives you the opportunity to participate in a very big way with, what has been called, the world's greatest philanthropy. Did you know that 97 percent of every dollar donated goes directly to patient care? Talk about getting the best bang for your buck.

In this article, every month, we publish the names and organizations of those who donated and joined this elite club. Therefore, I will thank all those collectively for their efforts last year. As this type of article lends itself only to a very warm, albeit generic, "thank you" to the entire group, I encourage you to seize the moment and thank these people personally when you see them at our various functions. We are proud of them and wish to honor their efforts. Hopefully they will continue to donate and others will step up and join the 100 Million Dollar Club this year.

Again, thank you for your contributions to the 100 Million Dollar Club in 2019, and I hope you and your family had a joyous holiday season and will continue to support this worthy cause in 2020.

Please remember to support your Blue Lodge, your Rite Body, Boumi Shriners, and as always, the children with disabilities and burns. When you attend your Masonic meetings, talk up the Shrine. New members are needed to continue the very special work of our fraternity.
